

CHARNEY RESOLUTION CENTER

## **Charney Resolution Center Mission and Goals**

### **Mission**

The mission of the Leon Charney Resolution Center is to empower people to pursue world peace and strive for peaceful conflict resolution.

### **Mission Statement:**

Motivate young adults to pursue world peace and conflict resolution via education about empathy, negotiation processes, and communication through art.

### **Center Goals:**

- Bring people together in order to resolve conflicts through face-to-face conversations and interactions
- Provide tools for conflict resolution, such as mediation, negotiation tactics, and honest communication.
- Serve as a platform for partnerships with young ambassadors around the world who seek to promote projects in fields related to CRC's mission, in pursuit of open communication, peace-making processes, sounding the voices of minorities, etc.
- Initiate programs that provide tools to cope with high-stress situations, emergencies, and trauma in daily life.
